# 1st DAY

This year, our Airport changed its name called AIRPORT ALICANTE-ELCHE- MIGUEL HERNÁNDEZ, remembering our great poet Miguel Hernández (1910-1942)

*For freedom, I bleed, I fight, I survive  
For freedom, my eyes and my hands  
Like a carnal tree, generous and captive  
I give surgeons*

*The Wounded II. Man Lurks, 1939*

*Miguel Hernández*

In the course of the 1st day, all delegations will arrive in Alicante welcomed at the airport both by the Spanish team and by their host families. Besides, on this day the students and the teachers can get to know their partners and the surroundings they live in.

# 2nd DAY

During the 2nd day, the Spanish school will offer their guests an opening ceremony so as to become acquainted with each other. We will enjoy presentation activities where each school will have the chance of reporting their findings in migration. As part of this intercultural exchange, we will also be able to walk around Alicante in order to find out more about the cultural environment the migrants meet when they come to live here.
